

APPALACHIAN III

2,368 total square feet

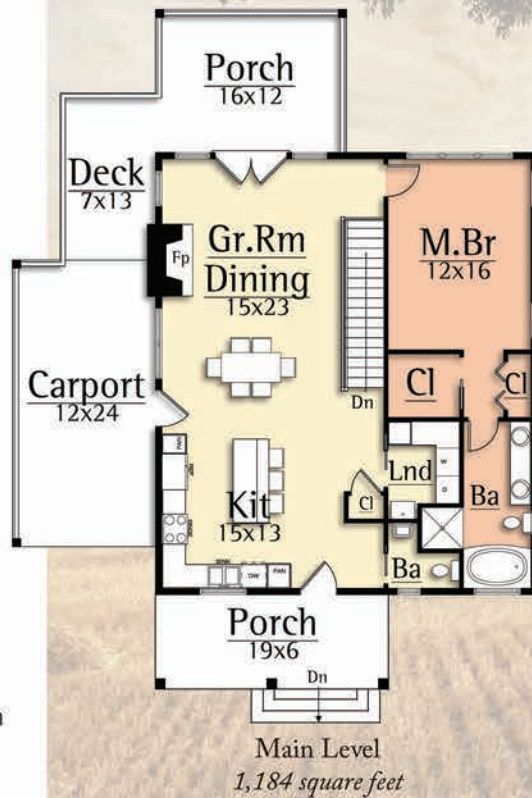

3 Br, 3.5 Ba

Before tobacco, Appalachia was filled with barns built to shelter livestock and crops. These barns derived their shape from a simple log crib.

The Appalachian by MossCreek is a reimagined log crib design that combines the functionality of a family home with the visual appeal of a classic barn.

The Appalachian features:

- Open plan living
- Three bedrooms
- Main and lower level
- Large master suite
- Spacious kitchen and bar seating
- Laundry room
- Large fireplace in vaulted great room
- Expansive glass in great room
- Carport
- Rear outdoor living porch
