Throughout history, the Badger Pass has referred to an challenging journey. Whether by horse or by foot, the early pioneers carefully charted this course and followed it to its intended destination.

The Badger Pass by MossCreek epitomizes this spirit of personal accomplishment. It features 3 bedrooms, 2-1/2 baths, including a master on the main level. A large story and a half vaulted Great Room with exposed timber trusses and an open Kitchen / Dining Room complete a dramatic interior. Exterior timber and cedar shake detailing complete the feel of a worthwhile journey.
