

# DOBRO II

*2,717 total square feet*

*3 Br, 3.5 Ba*

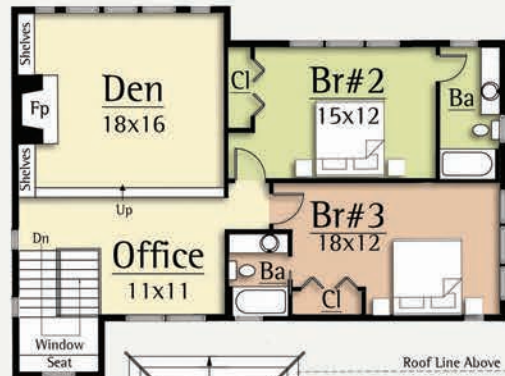

The Dobro is an American instrument that became a staple in bluegrass music after its introduction by Lester Flatt and Earl Scruggs in the 1950's.

Today, the Dobro design by MossCreek follows in its namesake's footsteps by creating a relaxed farmhouse exterior, while offering layout suited for modern living.

The Dobro interior features a main level with spacious open living, master suite, and laundry/mud room areas. A gracious screened porch creates outdoor opportunities free from insects.

On the upper level, the Dobro provides two guest bedroom suites, a family den, and home office.

Upper Level  
*1,142 square feet*

Main Level  
*1,575 square feet*
