A duet is a musical composition for two performers in which the performers have equal importance to the piece. It is often used to describe a composition involving two singers.

In the Duet by MossCreek, wood and plaster create a duet of exterior finishes, balancing a harmonious Yin and Yang composition. The Duet's sleek and modern lines are carefully composed to create a contemporary artistic expression.

Inside, the Duet features open plan living, large view glass in the Great Rm, three generous master suites, and an upper loft.

On the exterior, the Duet features generous outdoor living with a fireplace.
