Beginning in late eighteenth century, gambrel-roof barns became popular in lower New York State.

The Gambrel by MossCreek captures the character of the historic look combining the functionality of a family home with visual appeal of a classic barn.

The Gambrel features:

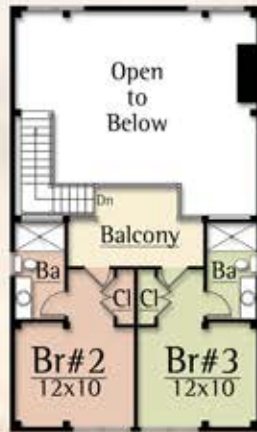

- Open plan living
- All bedrooms have en suite bath
- Vaulted great room and upper level
- Large master suite with spa shower/tub
- Spacious kitchen and bar seating
- Full size laundry room
- Large fireplace in great room
- Expansive glass in great room
- Attached 2 car garage
