2,733 total square feet

3 Br, 3.5 Ba

The homesteads of the mid 1800's were comprised of a house and barn outbuildings.

The Homestead design by MossCreek is a reimagined homestead that combines the functionality of a family home with visual appeal of a classic barn.

The Homestead features:

- Open plan living
- All bedrooms have a private bath
- Vaulted rooms throughout
- Large master suite
- Spacious kitchen and bar seating
- Full size laundry room
- Large fireplace in great room
- Expansive glass in great room
- Detached 2 car garage
- Upper level loft
- Barn door pantry
