A "red sky" at night means calm weather and conveys peace and tranquility for the observer.

The Red Sky by MossCreek captures this same calm spirit with one level living, featuring 3 bedrooms and 3 1/2 baths. A large story and a half vaulted Great Room with exposed timber trusses and an open Kitchen / Dining / Great Room complete a dramatic interior.

Rustic exterior detailing completes the feel of this Pacific Northwest camp.

RED SKY

2,905 total square feet

with unfinished 550 square feet above Garage
