The Zerenity II design by MossCreek is perfect for a small getaway or a rental cabin. The narrow width and main/upper level design creates a robust amount of living in a modest amount of square footage.

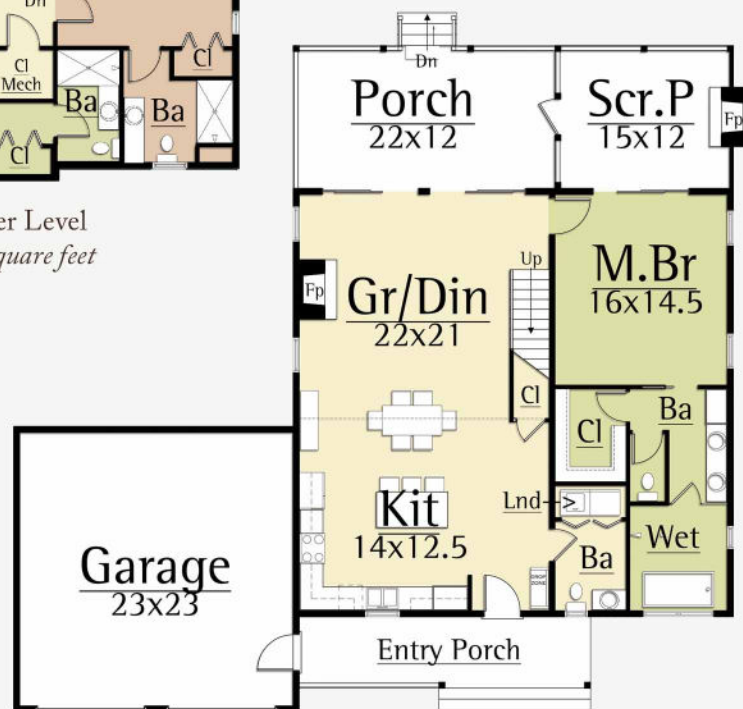

The contemporary exterior of the Zerenity II is full of expressive roof lines and a mix of wood, metal, and stone. This organic approach ensures that this contemporary design nestles well in any natural setting.

The Zerenity II interior features a main level with spacious open living, master suite, and laundry room areas. A gracious screened porch creates outdoor opportunities free from insects.

On the Upper level, the Zerenity II includes two guest bedroom suites with optional barn doors to view down to the great room below.

Upper Level
