An opus number is used to title musical compositions with similar characteristics.

The Opus Series by MossCreek is an efficient hillside home design that is available in a variety of exterior themes, each with their own number.

On the main level, the Opus features a spacious trio of kitchen, dining, and great room areas. These spaces are complimented with a generous master suite, laundry room, and a rear porch for outdoor living and entertaining.

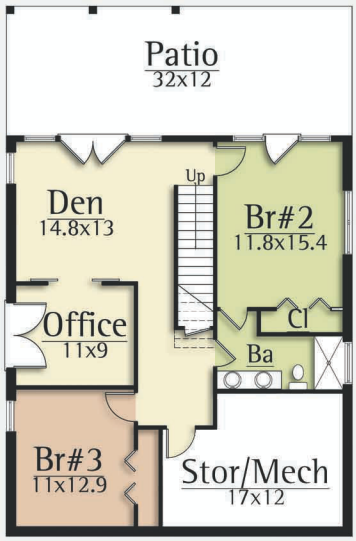

On the lower level, the Opus provides two guest bedrooms, office, den, and generous storage.

The Opus is the perfect compact layout for modern family living, or for a weekend getaway.
